1Z0-808 – Oracle Java SE 8 Programmer

Thank you for your time and advice :)

Q_1) When we can give exam? any fix time?

No. Time and center u can choose.

Q_2) How to apply for exam? need to feel a form? URL?

Need to buy a voucher for the exam. Use the voucher code for scheduling the exam

Q_3) After the exam, when will the result come?

Immediately.. probably even before u leave the exam center.

Q_4) Is it worth the certificate? Here in India or for in Foreign

It is. But it will expire in an year. If u want to proceed with advance level certificates in java then this is prerequisite.. before this expires u can upgrade to the next level certificate. Once this expire, and if u want to pass the next certificate, u will have to pass this again

Q_5) Difficulty level?

RCC internal exam papee or more

Q_6) How many hours of study is required?

If u had learned java, 3 weeks dedication.

Q_7) What strategy I should follow?

Read any book completely and then practice 4-5 books all the questions

Q_8) Any good websites for giving mock

No websites. Only OCA books and its questions

Q_9) How much % required to pass the exam?

65 it was at the time i passed

Q_10) Expert tips please

Practice questions a lot. U will score more than ur practicing scores. All the best.
